Less than 30 on [REDACTED] [REDACTED] I [REDACTED] returned from grabbing, gonna make it run to the convenience stores [REDACTED] Get some refills or [REDACTED] I [REDACTED] finished coming [REDACTED] And soon as we nearly hopped out the car. We could hear people screaming and hollering at each other and cursing. Yep, so dollars of zoom on top of the hill. And as about 11 [REDACTED] and that happened we went inside and told her mom go because I've got my mom with [REDACTED] or [REDACTED] and I tried to find a flashlight, [REDACTED] flashlight. And it's corroded so cleaning it out. It took way longer than I expected to do that I finally [REDACTED] up on it and now I came out here and it's pretty quiet is the way the shotgun came from it and Sean Sutton [REDACTED] it was [REDACTED] coming from the road here coming from the end of the driveway it didn't sound [REDACTED] it was going in their house. So when you come down here and [REDACTED] it out and see what's going on. It is [REDACTED] quiet now. [REDACTED] it's [REDACTED] someone stepped down science and art. It's quite [REDACTED] But um so I thought Manuel wanted to know Yeah, when we're going to court she then flipped out because she's gonna have to change it for the people are crazy and they're gonna do something to me. So instead of me getting my real scoop and figuring out what's going on. I sat inside as you asked me three questions. So as we go and I think I [REDACTED] saw the owl
