Oh, here it is 530 December 21. Thursday afternoon, late actually evening Thursday evening and finished doing some sunlight target shooting. Not really doing too well. Yeah, my, my rifle is really out there and really not out well, so I'm gonna have to reserve it out. But when you start things instead of remembering that they happen, and he started the events when they happen and we're getting I'm getting lazy on this because I have so much else go go. get out of it. Previously, our mailbox was stolen from us. We all know who did that. You know our need is refusing to do anything to do her But these many counters out here and they've been they stay out till about they stay out here working about eight at And it's a constant thing of the automated hammering a pneumatic hammer beating slamming heavy machinery. We've been living in a heavy machinery zone for three years. And all of this is the direct result of what has been occurring with Brian Abernathy. And we're tired of it. So yep,
