been doing a lot of [REDACTED] you know, [REDACTED] here [REDACTED] because the police don't don't give it the lease or they're not gonna do anything. And I don't really think they're. I don't know they don't think they can do anything. And I don't, you know, and we kind of run under the [REDACTED] that it's not that they, it's that they don't want to do anything. Because cops don't want to be a bad the bad guy, you know, but. So we really haven't [REDACTED] much and we kind of [REDACTED] given up on things. We do that from time to time. We although we have the side by side, it turns out the side by side things kind of has kind of gone, that's kind of. It's not really a problem anymore it's kind of really much reduced, but the last time I talked to the sergeant in charge the deputy sergeant. He said that they that he would put a officer by my house all the time. And he put us on patrol. And that route so that way we could, you know, [REDACTED] these guys that are being a nuisance that'd be problem causing whatever. So, it's already been past week. It's been actually [REDACTED] a week and two or three days and haven't seen one Sheriff officer out here. Haven't seen one. So, either. They got too busy or something else happened or. He was [REDACTED] feed me a lot of papers, [REDACTED] tell me what I wanted here and then let me go. So, we haven't gotten any cooperation so far yet. I'm had it because even because it's even seems that had it because made an effort to slow down so we really haven't had problems with those that we are those that are routine problems and routine annoyances have appeared to even have even they have appear to keep it down slow down and be more. Here comes a golf crew, so it's [REDACTED] kind of [REDACTED] But the long story of all of this being yes attractor tractor. Long story of all this being, you know, we [REDACTED] I [REDACTED] got hurt headaches so. Yep, got a big old hay baler nice old tractor. So you Yeah, that was very new [REDACTED] traffic. So, yeah, but he [REDACTED] he [REDACTED] had it [REDACTED] bolted is way out of it out of the place you know there's [REDACTED] no there's no no reason for anyone start to do that love. So, [REDACTED] really.
