Here it is

00:04

March 6, Monday and there was a an old metal bed frame. It's steel steel is steel bed frame

00:18

that

00:20

someone had out off the of their car and had been sitting in the woods for God knows how long and sitting out in the woods and I grabbed it and I it up. It's you know, it's on the side. The writer grabbed it up and it came over here and actually put it made an effort to sobs heavy and I was really tired. And so I it up and took it to get into my onto our property pretty good pretty good bit ways in our property. And let's and I leaned it a tree landed the tree, so it'd be safe and that way it wasn't laying on the ground and beat over Elena, here's a tree, you know, how we also it can be obviously someone was using it. And I'd loved it. You know, I love to hear because I couldn't carry it I didn't want to it was too heavy. I was there was something else I was carrying something else in time. And so yeah, I looked at out here in the of the property and someone came up on our land and stole it. I really can't can't believe that but I'm getting I'm out here in the of the property now looking for it. And someone says someone got up on our property on our land, and stole this metal bed frame from us, and it was on my property, claimed it as mine. And I was going to use it at a point before it and someone came over here and stole the thing from us and walked off with it. I wonder who that could be? I wonder if it's the same

group of people that have constantly been stealing, lying and cheating their way since I got here I wonder I wonder which one of those it could be because [REDACTED] I said before, I'm sitting out here trying to figure out what the [REDACTED] going on. And got nothing. So I couldn't find it. I'll look around some more but I'm originally certain somebody close by [REDACTED] my neighbor's stole it came up on our land and stored there on our land [REDACTED] stealing things [REDACTED] I'm gonna shoot him because I'm on my land shooting things [REDACTED] I think I'm I think I have every right to shoot to shoot him. I think that that's I don't know if that's [REDACTED] or not, but and I'm not going to shoot to kill. But I'll shoot him in the foot [REDACTED] after the cops get here and arrest him because I don't know what happened to that. I'm been looking for it. So we'll walk around here is more sweeping find it but I'm not going to take someone constantly. This will be the [REDACTED] time that [REDACTED] Malana and stole stuff. I'm not going to take someone constantly [REDACTED] on my land and constantly stealing from me. I'm not going to take that. That is a that is they're presenting a threat to you my safety my family so I'm not doing that. Play anymore. I'm not going to have someone come over my land and stealing things from me. You get shot [REDACTED] that. That's that's how you I mean everyone in the country knows that you get shot [REDACTED] that. Because no one would take that

[REDACTED] [REDACTED] 04:03

but that would be the [REDACTED] that'd be the [REDACTED] set or the [REDACTED] item of things that have been stolen. vandalized on my property. Since they've arrived. So yeah

[REDACTED] [REDACTED] 04:32

yeah, I think it's time to practice long range target shooting. I know I can max up my target I've done before. I know I can max up my property easy

04:53

so that's the [REDACTED] thing.

05:03

That's what's that's downright infuriating.

[REDACTED] [REDACTED] 05:30

[REDACTED] thing [REDACTED] thing that

[REDACTED] [REDACTED] 05:37

someone's come out here and still since they've arrived I know it sounds

05:53

████ item

████ 06:03

I guess I'll call the sheriff out here and get a report made. I hate doing that. I hate wasting my time █████ that. But that way you'll at least get a █████ of it and clear and accurate █████ of it

████ 06:20

and maybe get some, you know, they're not going to do anything. But get a █████ of it. So you can but you can bring that up in court. So I'll do that

06:40

but yeah, they're not.

████ 07:27

Yep, that's exactly what is. So I knew because I came up. I came up around here, or tip here. And I leaned it is that █████ I leaned it █████ when these trees

████ 07:49

you may or you may get a little bit more but that's as █████ one of those was █████ what I looks █████ it looks █████ a leaned █████ one. Those are one of those pirates █████ I didn't go that way. When this way to get right path. of least resistance I came up over here

08:48

yeah that's what I do.

████ 09:19

Can't believe I forgot the What's this thing on? I █████ can't believe that. I can't believe so when we go to the load the loveliness

09:30

of petty theft

██████████ 09:34

the loneliness that's that's I mean, that's this depraved and that's the spies it's reprehensible

██████████ 09:48

I'm not playing with these kids with people anymore. They want to come over here and steal stuff I'm I'm ██████ going to shoot him

██████████ 09:58

I'm better shot than every one of them so I will take care of it

██████████ 10:15

that's pretty reprehensible

██████████ 10:23

that they come out here and ██████ yeah, go up the big houses. I mean, that's really ██████ you're gonna get shot. So I guess I'm gonna get some votes and happy to invest in some security cameras and bullets and start start living and you know whether what's his name you know whether then Warren comes through at ██████ I'm gonna have to have a lawyer to sue to sue these people

██████████ 11:15

well, you know, it's a character. I mean, they're they're crooks. They're crooks. And they're thieves. And that's what they do. They steal in the cheat. So

11:24

I should have known better

██████████ 11:31

known crooks and thieves. Yep. You know, when people talk about my family, you know, they're ██████ yeah, they're nice people. or, you know, yeah, he's an ██████ but, you know, his granddad was a nice guy. We've talked about everyone was ██████ Oh, yeah, they're cheats. they're crooks. Yep.

[REDACTED] [REDACTED] 11:57

Yep.

11:58

It's gone.

[REDACTED] [REDACTED] 12:02

Anyway, um, didn't mean for this go on too long.
