Because here it is 18 at at 9pm on a Wednesday and I finished a little message about this air TV a TV that was that was flying down the road blaring music Well, I'm sitting here, resting for a couple minutes and then we one after another and every in every, every one of them, Florida. Florida right after each other boom boom boom Florida down the highway, and they were definitely. They're definitely. The, the idle that different at different rates so they were definitely have two different here. And I've got tons of of videos of footage of these guys drag racing down here and it's about time to do something about it. So, but anyway it's want to make sure I pull the camera it's 18, and look at the look at the footage, but um, yep. We can hear hear those engines over Perry Mason, and that's what we're doing right now we're sitting out pyramids and living room and our peace and quiet has been disturbed by, by, you know these guys, you know, racing down the highway here.
